Fruit Trees Arrive, January 10th, 1914.
The undersigned, having secured a quantity of the best
fruit trees from the State of California, and having the
best opportunity of inspecting the same, do hereby
certify that they are of the highest quality and
well adapted for the soil and climate of this section.
We think that fruit trees are all we will see of this
kind in this section, and we are sure that you will
be satisfied with the quality of the trees.
